

2026 Accessibility Survey Results

CITY OF
Quesnel

The 2026 Accessibility Survey highlighted both successes and opportunities for accessibility improvements across our community. The survey results reflect input from you, our citizens, and will help inform future planning and actions as we continue working toward a more accessible, inclusive, resilient, and welcoming community.

WHO PARTICIPATED

SUCCESSES AND OPPORTUNITIES

Top 3 successes

Top 3 areas for improvement

Percentages exceed 100% because respondents were permitted to select multiple responses.

BUSINESS OWNER FEEDBACK

24% of business owners reported making accessibility improvements

Business owners noted lack of funding, building ownership, physical constraints, and lack of knowledge on available improvements as barriers to completing additional upgrades.

OVERALL TOP PRIORITIES

Roads, crosswalks, sidewalks, and winter maintenance
